2015 -2016 Classroom Sponsor Program

Greetings,

The Bethune Academy PTA would like to personally invite you and your business to sponsor a classroom at Bethune Academy. Bethune Academy, a STEM Magnet elementary school in Haines City, has 464 students and 31 teachers. The PTA provides funds for field trips, STEM based clubs, cultural arts assemblies, classroom supplies, and other educational materials to enhance our children's education.

To maintain a high level and quality education we are in need of classroom sponsors to help teachers purchase supplies. The Bethune Academy budget is not very large and only provides \$50.00 for teachers to spend on materials for their classroom; this does not go very far!

The Classroom Sponsor program is a wonderful opportunity for area businesses and parents to support our students and teachers. By sponsoring a classroom at Bethune Academy, you are giving our teachers the ability to enrich the classrooms, which directly benefits our students. Your donation is a great way to provide teachers with the ability to purchase enrichment materials for the classroom to enhance learning. Your business will be recognized in our monthly newsletter as well as our school celebrations, and all social media sites.

All teachers must submit receipts to the Bethune Academy PTA so you can be assured that 100% of your sponsorship money is being used for the classroom. Our organization is a non-profit organization under Section 501(c)(3) of the Internal Revenue Code, so your donation is fully tax-deductible. Our U.S. Tax ID number is 596000807.

We would honor the opportunity to introduce your business to the Bethune Academy family and friends. Would you be willing to donate to our school this year?

If you have any questions, please contact Ryane Redgrave at (407) 222-1437, or the school office at (863) 421-3334. Thank you for your consideration. I can personally deliver your donation to the school or it can be mailed to the school address above.
